

Switch to a master program other than biology

With a BSc biology, some options outside biology include:

- Biomedical Sciences;
- Biopharmaceutical Science;
- Life Science & Technology;
- Statistics & Data Science;
- Environmental Science;
- Master programs from other universities.

Start a career outside science

- BSc is equivalent to HBO education in The Netherlands;
- With the education minor and a BSc degree you can teach at the level of VMBO, HAVO, VWO or MBO;
- You could start your own company;
- $\bullet\,$ You could apply for any job that requires up till BSc level education.
